

# AUTOMATION / ROBOTICS SUMMER INSTITUTE

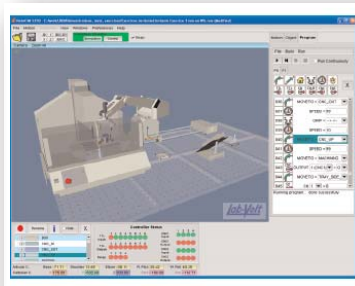

July 20–24 -- 9:00–4:00 p.m

hosted by

4071 Allium Court, Springfield, Ohio 45505

Located in the Nextedge Applied Research and Technology Park off of route 40 in Springfield, Ohio

SME, Advanced Technologies Consultant, the Ohio Department of Education and Avetec are offering an Automation/Robotics Summer Institute for students entering grades 9-12 with an interest in automation and robotics.

Fee: \$20.00

Program fee includes:

- Hands-on participation with state-of-the-art automation/robotics systems from Advanced Technologies Consultants, Inc.
- Instruction from industry and collegiate personnel.
- Lunch
- Field trips to local manufacturers using automation/robotics.
- Free Polo Shirt

First priority is given to students enrolled in Project Lead the Way and Robotics classes. All students with an interest in automation/robotics are encouraged to apply. This institute is limited to 20 students.

**Application Deadline: June 16, 2009**
